

FLAVOR FADES, ADDICTION STAYS

THE TRUTH ABOUT MENTHOL & FLAVORED TOBACCO TRENDS

Pastor Ritney Castine

Join TFHNJ and Counter Tools for an insightful webinar exploring the impact of menthol and flavored tobacco products on addiction as well as trends on the prevalence and the sale of these products.

Featured speaker, Pastor Ritney Castine will share his public health and tobacco control expertise to discuss the impact of menthol and flavored tobacco products on our NJ communities. TFHNJ will kick off a No Menthol May campaign that will include new resources during the webinar.
